About the Wine School

Before Arriving · https://www.vinology.com/helping/about-the-wine-school/

We have been named the “Best Wine School in America” award by SOMM and hailed as the “Best in Philly” by Philadelphia Magazine. We offer world-class education in all things fermented right here in Philly.

We offer wine courses that range from the single-semester Core Wine Course to a three-year wine diploma program. Our programs are backed by the National Wine School (NWS) in California. These programs included winemaking, teacher training, Food & Wine Scholar programs, and many more.

We offer a wide range of wine classes taught by the best sommelier-instructors on the East Coast. These classes range from our Wine 101 series of wine classes to our high-end series of luxury wine tastings.

Our sister school, the Philly Beer School, offers brewing programs and beer tasting classes. Philly Magazine is saying the Philly Beer School is the “Best Adult Education” in town. We are a bit jealous, to be honest.

Ever since our cookbook hit the bestsellers list, we have offered cooking and wine pairing classes. Always one of our most popular offerings, we suggest registering early!

Our spirits & cocktail classes are amazing. Our master distiller loves teaching them, and people really love learning about booze. From Bourbon to Mixology, we have a wide range of options for you.
