Can I replay class videos and review materials offline?

National Wine School · https://www.vinology.com/helping/can-i-replay-class-videos-and-review-materials-offline/

Replays

Yes. All of our online courses include video lessons that you can replay as often as you like.

Materials

All course documents are stored online so you always have the most up-to-date information. While you can copy and paste content for personal notes, we strongly recommend using the online version since our programs are updated regularly and the world of wine changes quickly.
