Do members get discounts on sommelier and wine programs?

Academic Courses · https://www.vinology.com/helping/do-members-get-discounts-on-sommelier-and-wine-programs/

Active members receive 20% member pricing on eligible classes and courses. Not every product, event, or service is eligible; special dinners, premium events, trips, and similar offerings may have separate pricing.

Check the relevant program or product page for the price and applicable offer. Some Core Sommelier offers include a period of membership; membership is recommended but not required to enroll in Core.

See membership benefits for details.
