Discontinued: Virtual Attendance via Zoom for Public Tasting Classes.

Outdated Information – Do Not Use or Reference

The option to attend our **open-to-the-public, one-off wine tasting classes** via Zoom is no longer available. Any past instructions regarding virtual attendance for these events—such as installing Zoom, accessing class links via the calendar, or refreshing the page for a Zoom link—are outdated and should be disregarded.

Important Clarifications:

- **This change applies only to public one-off wine tasting classes.**
- **It does NOT apply to our academic or sommelier courses.**
- **School members may still attend any class via Zoom for free with 48 hours' notice.**

If you are a member and wish to attend a class virtually, please contact us at least **48 hours in advance** to arrange access.

For up-to-date class policies, refer to the official information on our website.
