Reporting Potential Misrepresentation

If you have registered for a course or made a purchase from an entity claiming to be **Philly Wine School** or the **Wine School of Philadelphia**—particularly if they also claimed to be a **WSET Approved Programme Provider (APP)**—we would appreciate your assistance in verifying their legitimacy.

Please contact us at **wsop@vinology.com** with the subject line **PRIORITY: FRAUD REPORT** and provide details of your transaction. If possible, include:

- A description of what you purchased
- Screenshots of any email or other correspondence
- The address or website they provided—especially if it closely resembles but differs slightly from ours

We are actively gathering information regarding potential misrepresentation and appreciate your help in ensuring transparency and consumer protection.
