I can’t attend a class

Tasting Classes · https://www.vinology.com/helping/i-cant-attend-a-class/

Important: This Applies Only to Single-Session Classes

This information is **ONLY for our single-session classes**. It **does NOT** apply to accredited or long-format certification courses.

How to Reschedule a Class

If you can’t attend a class, you must submit a reschedule request here: https://www.vinology.com/helping/reschedule/

Rescheduling Fee

- The closer you are to the class date, the higher the rescheduling fee.
- Fees are non-negotiable.

How Rescheduling Works

- When you submit a reschedule request, **you will not be asked to choose a new date at that time**.
- Instead, you will receive a **reschedule code**, which works like a **gift certificate or coupon** on our site.
- You can use this code to sign up for **any available class** that has open seats.
