Do I have to bring my tickets with me to class?

Your Tickets to a Class · https://www.vinology.com/helping/i-dont-know-what-type-of-tickets-i-have/

We strongly recommend bringing an electronic copy of your ticket and a bottle of water with you.

There’s no need to print your ticket—we have a class roster and check everyone in outside the school. However, if you don’t have an electronic ticket and your name is not on the roster, you will not be allowed to enter.
