I want to sign up for membership without a credit card

Membership · https://www.vinology.com/helping/i-want-to-sign-up-for-membership-without-a-credit-card/

Sometimes, users ask if they can pay for a membership using PayPal, a gift certificate, a reschedule code, or another payment method. Unfortunately, our system requires a credit card on file to process membership fees for the full twelve-month term. Because of this, we can only accept credit cards for membership payments. However, you can still use PayPal, gift codes, or reschedule codes when signing up for a class or course—plus, you'll get your exclusive member discount!
