Academic Courses · https://www.vinology.com/helping/missed-a-session-in-your-course-heres-what-to-do/

This policy applies ONLY to multi-day wine courses. If you miss a **single-session tasting class**, rescheduling is required, and fees apply.

If you’re going to miss a session in your **multi-day course**, your options depend on the program you’re attending.

Level Two & Three Wine Courses (Core Wine Course)

✔ You have access to **reading materials and video recordings** of the class.
✔ **Contact customer support** to receive access.

Advanced Programs

✔ You may request **Zoom access** to the lecture.
✔ We **do not** typically offer recordings, but we are in the process of uploading them.
✔ If a recording is available, you **may** be granted access—but this is **not guaranteed**.

Make-up classes are NOT available for any multi-day course. Plan accordingly and use available resources to stay on track.
