NWS Certification Recovery Program

Academic Courses · https://www.vinology.com/helping/nws-certification-recovery-program/

If you were referred to this document, your certifications are at risk due to incomplete program requirements. If you are a Member in good standing, please apply to the Certification Recovery Program.

Please apply for each certification separately. Requests for multiple programs in one application will be denied.

This is the final step of certification recovery. If you have not done so, please review the Missing Certification, First Steps document.
