How to Register Another Person for an Online Course

Important: This applies ONLY to the National Wine School (NWS), NOT the Wine School of Philadelphia.

To purchase an online wine course for someone else at the **National Wine School**, you must purchase a **National Wine School Course Gift Pass** (such as the L1 Enrollment Gift) or set up a group account directly through the National Wine School.

For information regarding group accounts at the National Wine School, please visit: https://www.wineschool.us/help/purchasing-an-online-wine-course-for-someone-else/

Using the Gift Pass Option

If you choose the **National Wine School Course Gift Pass**, the recipient must register themselves within the National Wine School system. **Once submitted, we cannot alter registration information at the National Wine School.**

To Change Registrations Post-Purchase

Do NOT purchase for someone else under your own account. Purchasing this course will **automatically enroll you (the purchaser) at the National Wine School, NOT the Wine School of Philadelphia.**
All registrations at the National Wine School are final.

Changing Registration After Purchase

If you need to transfer your registration to someone else, you must contact the **National Wine School directly**.

They offer two options:

1. **A free, self-service (DIY) method** that is unsupported.
2. **An authorized method** that includes additional fees.

For assistance, contact the National Wine School via their official website.
