What does Wine School Membership include?

Membership · https://www.vinology.com/helping/school-membership-discounts/

Wine School Membership brings together people who love wine and want to keep learning. Benefits for active members include:

- 20% member pricing on eligible classes and courses.
- Cellar Credits on eligible purchases.
- Access to eligible member events and experiences.
- One guest at designated member events.
- Select $1 last-minute class seats, when available.

Some special dinners, premium events, trips, and other offerings have separate pricing. Benefits and availability may vary.

What happens if a payment fails? We may retry the payment and suspend benefits while the account remains unpaid. Update your payment method and restore your existing membership rather than starting a second subscription. Cellar Credits are not automatically lost because of a temporary payment failure, although they may not be redeemable while your membership is inactive.

See our membership page and terms for details.
