What happens to my Cellar Credits if I cancel my membership?

Cellar Credits · https://www.vinology.com/helping/what-happens-if-i-cancel-my-membership/

If your membership **expires or is canceled**, your **Cellar Credits will be inaccessible** until you restart your membership. Unused credits will remain in your account, but:

- **You cannot redeem them unless you are an active member.**
- **If you cancel before attending a class for which you used Cellar Credits, those credits and associated discounts will be forfeited.**

To regain access, you must **start a new membership**.
