If your membership **payment fails**, your account will be placed **on hold** and will soon be **canceled** if payment is not updated.

To prevent cancellation:

1. **Update your payment method:**
   - Go to **"Account" > "Payment Methods"** to update or add a new payment method.
2. **Restart your membership:**
   - Go to the **"Membership"** tab and restart your membership.

If your membership is already canceled, you must **start a new membership**.
