You can join the Wine School Membership online. For the standard monthly membership, the initial commitment is three monthly payments; after the third scheduled payment is processed, you may cancel future renewals through your online account.

Some Core Sommelier offers include membership. Check your offer for its specific terms. Eligible included memberships with a continuing annual offer renew at $199 per year after the included period unless canceled before the first annual renewal.

Membership benefits remain available through the applicable paid-through period. See the Terms & Conditions or contact support for help.
